Support education
by recycling

How Recycle4Education Works:

- 1 Register online at www.Recycle4Education.com as a school to receive funding or register as a business to support a school of your choice.
- 2 Pack cartridges, cell phones and small electronics according to the shipping requirements in your online account.
- 3 Apply a prepaid shipping label to each box and deliver it to a UPS drop off location.
- 4 **Schools** receive a monthly check when they have at least \$25 in their account. Monitor your balance, shipment history and valuation reports online, automatic balance rollover and checks issued once a month.
Business supporters balance will be transferred automatically to the school of their choice, no minimum balance required.

Huge help when it comes to funding for schools!

Recycle4Education offers ongoing cash rewards to schools in exchange recyclable items. Your school can utilize this FREE program by collecting and recycling:

- Inkjet and laser toner cartridges
- Cell phones
- Small electronics: laptops, MP3 players, GPS devices, digital cameras

There is no cost for participation and you get FREE program materials, boxes and prepaid UPS labels to help you succeed! Your school can raise more money by asking businesses to adopt your school. The proceeds from all the recyclable items they ship to go directly to your school.
